*We are offering a choice of five different in-person Soul-Raising Sessions with David Christopher Lewis, briefly described below. For full descriptions go to the Soul-Raising section on the event web page. Choose the one that is best for you!

Holy Spirit Soul-Raising Session: Wave patterns and initiatic cycles of light will be released through the agency of the Holy Spirit to perform an alchemy with your soul. The session includes a soul reading, aura clearance, chakra balancing, and question(s)* addressed.

Radical Forgiveness for Self and Others with Kuan Yin: The focus is on radical forgiveness of yourself and others and communing with Kuan Yin's great Bodhisattva heart, providing an impetus of light for your spiritual victory.

Healing Family Issues in This and Past Lives with Mother Mary: These sessions help to heal family relationships. This healing will go to a very deep level, including past lifetimes, the karmic cause of conflict with loved ones.

Resolving Our Personal Psychology with Kuthumi: The focus is on the psychology of wholeness within yourself. It is a time in gentle Kuthumi's presence to come to terms with those little peccadilloes in the human personality that grate upon the soul's ascent.

Accelerating Your Ascension with Serapis Bey: These sessions help to accelerate your pathway to the ascension. Serapis teaches how to be true to your Higher Self, to be directed in your approach toward oneness with God.

Special Family Soul-Raising Sessions: If you would like to have a Soul-Raising Session with any members of your immediate family, you may bring them to the session of your choice without any extra charge.

*Questions at all of the Soul-Raising Sessions

You may ask one question during a 10-minute session. You may ask more than one question if the session is 20 or 30 minutes long. It's best to prepare your questions. Questions may not be asked about twin flames/soul mates, one's divine plan, or the percentage of karma balanced.

Prices: 10-min.: \$72; 20-min.: \$144; 30-min.: \$200

Mexico, Central and South America: 10-min.: \$36; 20-min.: \$72; 30-min.: \$100

After your session you will be emailed a link to an audio file enabling you to listen to and save your message.

These sessions are alchemical spiritual experiences and are not intended or designed to be psychological counseling sessions. When purchasing a session, you consent to this disclaimer.

** A temazcal is a traditional Mexican sweat lodge ceremony where we renew ourselves and commune with the elements and our own being. It takes place inside a small underground space where steam is created with hot volcanic stones. Ages 7 years up to 80 years may attend. Drink water beforehand. Wear a bathing suit and bring a wash cloth or hand towel. Towels will be provided after leaving the temazcal. Medical contraindications: people with heart problems or who have pacemakers, people with high or low blood pressure, pregnant women, people who have had recent surgery with wound in the process of healing, and people with open wounds. Also take into consideration it will be a completely dark space with very high heat and may be crowded.

Program subject to change. We may make schedule changes due to weather.
